29th January 2016

Dear Parents/Carers,

The annual Safer Internet Day is approaching soon and as part of the work on online safety we are also offering a special workshop for parents here at All Saints which is delivered by Childnet. Miss Brooks has already parent mailed details about this and I have also included a reminder in this newsletter. I am sure many of you are familiar with the harrowing events regarding Breck Bednar, a 14-year old boy who was subject to online grooming and whose life came to a tragic end in 2014. I hope as many of you as possible are able to join us next Wednesday (1:30-3pm) to learn how to keep your child safe whilst using the internet. Here at All Saints online safety is taught as part of the computing curriculum, but also through discrete termly lessons and awareness days, such as the Safer Internet Day.

I wish you a very pleasant weekend.

Heidi Otranen
Headteacher

**This half-term's value,
perseverance, in action**

I was at Beavers and we went to Discover Park Sky Rope. I had to climb up stairs and do an obstacle course. I felt quite scared but I persevered and didn't give up. I completed the whole activity.

Amelia, Year 2
