

All Saints News

9th February 2018

Dear Parents/Carers,

We have had a very enjoyable and productive half-term with lots of learning and fun! This week, the children have been completing additional work on online safety, as the whole school marked the annual Safer Internet Day on Tuesday, 6th February. This year's theme was 'Create, Connect and Share Respect: A better internet starts with you'. The children had a special assembly led by Miss Brooks and they also carried out additional activities in class to learn more about online safety. The link below is for the UK Safer Internet Centre website which has an education pack for parents. This really is a great time to have a conversation with your child about using the internet safely, responsibly and positively.

A brave group of Year 6 children teamed up this week to plan and deliver Pupil Led Collective Worship for the whole school. The children reinforced this half-term's value 'hope' by talking about a range of charities that give hope to others. Thank you to Alex, Rowan, Poppy, Sophie and Anya for their excellent efforts!

Please remember we will celebrate the World Book Day on Friday, 2nd March. We would like the children to come to school dressed up as their favourite book character. The half-term will be a good time to start thinking about costumes for the day.

I wish you an enjoyable half-term!

Heidi Otranen
Headteacher

Apply now for a Nursery place at All Saints for September 2018

Applications are completed via our school website and close on Friday, 16th March. Come and join us for a 'Stay and Play' session to find out more about our Nursery setting. Dates for these sessions are available on our website. Just ring the School Office to book your place!

Chinese Workshop Day in Year 2

Children in Year 2 had a real treat last week, as they participated in a whole day Chinese workshop which was organised to enrich the children's learning in History and Geography. The class got to experience traditional ribbon dancing during which they created shapes and movements to describe the 12 animals of the zodiac calendar. They also had a go at fan dancing.

The class also practised calligraphy, learned about its history and how the symbols have evolved over time. The children really enjoyed the day and are looking forward to showing off their dance moves in their up and coming class assembly.

Year 5 have enjoyed fencing lessons this half-term and have demonstrated a real flair for this exciting sport. Well done children—future Olympians in the making!
