Nurturing, Resilience and Achievement for all!

Headteacher: Mr Philip Asher, BMus(Hons), PGCE, ARCO, NPQSL

HOME LEARNING DURING SCHOOL CLOSURE

WEEK 7 18TH MAY – 22ND MAY

Year 6...I think we are all getting used to this home learning now...you are all doing so well...lets keep it up and keep talking on google classroom.

English – New writing unit being emailed out and put onto GOOGLE CLASSROOM...discussion text...Should children be returning to school??? Lots of information and model texts being uploaded.

Spelling - Use <https://spellingframe.co.uk/> Year 5 and 6 Spelling rule 43/44 – play as many games and complete as many tasks as you can – test yourself....then beat your score!

SPAG – log on and have a go at the tasks up-loaded...**this is ongoing work, you do not have to do them all this week!!!**

Reading

Read every day: It would be good if you could log into Bug Club website to read the electronic books we have assigned for you to enjoy: www.activelearnprimary.co.uk/login
Log in details have been sent out to parents already but Username is the first 4 letters of first name and first 4 letters of last name.

Eg. Matthew Smith

Username: mattsmi

For 3 letter first names the username is the full first name followed by 4 letters of the surname.

Password is : allsaints

School Code : qcx7

Maths

White Rose Maths activities....WEEK 7 (SUMMER 5)

<https://whiterosemaths.com/homelearning/year-6/>

The activity sheets are NOT available from the website so they have been attached to assignment in GOOGLE CLASROOM along with the answers. The activity sheets will also be emailed out and be available on the school website. Video tutorials WILL still be available from White Rose website above and should be viewed before attempting tasks as they provide the TEACHING part of the lesson.

Times Tables

Please go on <https://ttrockstars.com/> Don't forget to check in regularly for the **'Challenge the Teacher' sessions...noon every day in the arena area of the site!!!**

If you have a Mathletics log in from school please use it to complete the set tasks. For those who do not a free trial is currently available at <https://www.mathletics.com/uk/>

WEEK 7 TOPIC CHALLENGE -

This week I would like you to create a project or presentation on a topic of your choice. I am sure that during lockdown you have been using your time wisely and putting your personal talents to good use. I know that many of you have varied interests and hobbies that I am sure we would all like to hear about.

Please could you create a presentation, piece of information writing, short documentary film, book etc about the topic of your choice.

Please make it your work, don't just copy and paste the Wikipedia page about Ballet!!! You could include pictures, 'how to' guides and examples of your hobby or interests. It can be about anything from gaming to fishing, dancing to model making, baking to biking, comic books to horse riding!!!!

MOST IMPORTANTLY make it interesting...perhaps you could persuade others to take up the thing you love doing!!! BE CREATIVE....four sentences on a scrap of paper about football is not really what we want to see!

All of these resources will also be on google classroom too...have a great week!
