

All Saints CE Primary School & Nursery

Pupil Premium Strategy 2019-22

Nurture, Resilience and Achievement for All!

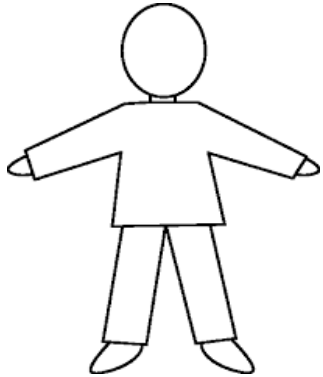

<p>What is the Pupil Premium?</p> <p>The Pupil Premium Grant is additional money given to school to support pupils who are considered to be disadvantaged. Nationally it is allocated to those in receipt of Free School Meals within the last 6 years, children adopted from care, and children whose family have been in military service within the last 5 years.</p>	<p>How much do we receive?</p> <p>Pupils on Roll (September 2020): 209</p> <p>Pupils eligible for Pupil Premium (Jan20): 21</p> <p>Total amount available for 2019-20: £29,245</p>
<p>What are our aims/principals for making spending decisions for this money?</p> <ul style="list-style-type: none"> • To ensure that all children in receipt of Pupil Premium make accelerated progress so that any gap between their attainment and that of those not in receipt of Pupil Premium is diminishing rapidly. • To ensure that all pupils have access to an enriched curriculum that provides experiences to enhance progress in academic, social and emotional development. • To diminish the difference between the attendance of pupils in receipt of premium and non-pupil premium groups. • To support the wellbeing of pupil premium children (emotional and physical). <p>We prioritise the use of the Pupil Premium as follows:</p> <ul style="list-style-type: none"> • Pupil Premium pupils who are underachieving. • Pupil Premium pupils who are achieving well and deserve to be extended and challenged. • Pupil Premium pupils who are unable to participate in broader curriculum entitlements due to financial or social disadvantage. 	
<p>In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.</p> <p>Schools are free to spend the Pupil Premium in any manner that supports pupils to achieve their full potential.</p> <p>Therefore, whilst it is recognised that Pupil Premium funding is to be allocated to schools according to the number of pupils specifically identified using the Government criteria, we will seek opportunities wherever possible to expand that support so that other vulnerable pupils or groups may also benefit from interventions are enhancement activities that are being delivered for Pupil Premium. In this way, all pupils benefit from the additional funding provided to schools, and school is enabled better to meet the specific needs of all pupils.</p>	

Updated September 2020

Planned Spending and Impact for 2020-21:

Barriers to learning for Pupil Premium Children in our school:

- Low self-esteem/anxieties;
- Multiple learning needs (SEND);
- Social disadvantage;
- Emotional wellbeing

* = PPG cohort size is small enough to identify pupils if number known.

Nurture/Therapeutic Support

Access to a therapist to support pupils with emotional or wellbeing difficulties (low self-esteem, anxieties).

Cost: £4700

Targeted support in 1:1 or small group provision to enable pupils to develop resilience and emotional awareness.

Cost: £3000

(Yoga Mindfulness sessions, 1:1 Nurture TA, sensory resources and games)

5 pupils received therapeutic support, all reporting significant improvement in engagement with learning, happier, and helping to reduce the exclusion rate to 0 for the academic year 2019-20. 15 pupils accessed specific nurture support across the year, with an additional 40 using generic nurture provision (Chill Club) on a regular basis.

Breakfast Club Access

Attendance at breakfast club for targeted pupils so they start the day well-nourished and ready to learn.

Cost: £1500

Attendance improved for PPG pupils from 94% to 95%

Wider Opportunities

Subsidised participation in curricular activities linked to learning and engagement.

Total Cost: £3500

(Forest School, Music Lessons, Sports Clubs and After School Clubs)

Educational Visits Support

Subsidised (50%) participation in school trips linked to learning and engagement.

Total Cost: £2000

Clubs and Forest School ran until schools closed on 30th March.
 5 PPG pupils took music lessons.
 10 PPG pupils attended After School Clubs
 All PPG pupils took part in Forest School
 Visits were suspended on 30th March, meaning that KS2 pupils did not attend their Residential Trip. All other planned trips up to that date took place, and 100% of PPG pupils attended.
